

TSC SATURDAY SOCCER SCHOOL

Fun based coaching sessions for 3 to 8 year olds, helping players develop their technical skills and basic game understanding.

TSC Saturday Soccer School provides coaching sessions for 3 to 8 year olds with our professional coaching team.

TSC Saturday Soccer School is the perfect introduction to football for younger players, providing them with coaching from qualified and experienced coaches. Most importantly, a fun environment is provided to help everyone that joins in to start to grow a lifelong love for the game.

The sessions will cover all the basics of ball work such as dribbling, passing and shooting. The sessions also have a focus on developing players movement skills and their agility, balance and co-ordination.

#PROfessional

We have a collection of professional coaching staff who have experience of working within professional club academies. All of our coaching staff have worked with players of all ages and are fully qualified and DBS checked.

#PROgression

At TSC our aim is to help players to progress to reach their own individual potential. Our Saturday Soccer School sessions are the perfect start for players to start developing their technical skills of dribbling, passing and shooting. This will help them taking the next steps into more organised football when they are older if they wish.

#PROven

As well as our proven track record in developing football players, TSC are also an FA affiliated licenced football provider. This means we meet the FA's high standards of having all of our coaches qualified as well as appropriate safeguarding procedures in place.

HOW THE SESSION WORKS

Our Saturday Soccer School sessions are led by the coach and the players join in with a group of players around the same age as them.

The start of the session will involve a warm up and the players working on developing different movement skills.

The main part of the session will involve players spending a lot of time with a ball at their feet, rather than having to share a ball. This is because the best way for them to develop technical skills is to have as many touches of the ball as possible.

The session will involve lots of fun games that encourage them to use a variety of different skills, the games are relatable to the players age groups and will allow them to experiment with different ways of moving the ball in a pressure free environment.

We often have small games at the end of each session, which are with low numbers to allow players to get more involved and have more touches of the ball.

The session will end with a short debrief.

We ask parents not to get involved in the session and there are designated waiting areas for parents at each session. The reason for this is that parents can be very distracting for the children and it makes the management of the session very difficult.

OTHER TSC SESSIONS

TSC Tots (18 month to 3 year olds)

Our tots sessions are the perfect introduction to football for young players. These fun Based sessions actively involve parents and involve fun games to develop ABC's and very basic football skills.

TSC Toddlers (3 to 6 year olds)

Our toddlers sessions cover all the basics of ball work such as dribbling, passing and Shooting. Most importantly, a fun environment is provided to help everyone that joins in to start to grow a lifelong love of the game.

Academy (6 to 16 year olds)

The TSC Football academy aims to push gifted and talented players to the next level. The aim of the academy is to coach players to reach their individual potential. The Academy participate in fixtures vs professional clubs and European tours.

Holiday Camps (4 to 12 year olds)

We run a variety of holiday camps, including fun soccer schools and elite Camps every school holiday in venues across Kent.

1-2-1 Sessions (all age groups)

Our 1 to 1 sessions and small group sessions are designed around the individual and are a great way to develop players based on their strengths as well areas they want to improve. These sessions are high intensity and tailored to the individual.

Saturday Soccer Schools

Our Saturday soccer schools run at various venues for a variety of age groups. Some of our Saturday soccer schools are also linked to clubs to provide players for their teams.
